Sample — from Photographer Client Workflow Kit v1.0.1

What this is

Page 2 of this file is page 4 of 16 (“Family portrait session questionnaire”) copied unchanged from Photographer-Client-Workflow-Forms-Letter.pdf, the US Letter PDF delivered with Photographer Client Workflow Kit version 1.0.1. Only the small sample label and the faint watermark were added.

What the full product adds

The full product adds a 6-sheet client tracker (a worked example and a blank copy) plus 16 pages of forms in PDF and editable DOCX (US Letter and A4): enquiry intake, a small-business session questionnaire, client preparation guides, shot lists, a session timeline, an equipment checklist, deliverables tracking and reminder emails.

Printing

Print page 2 at 100% (“Actual size”) on US Letter paper. Page sizes are checked in the file, not on a printer.

Licence

Free sample: you may print and use this page for yourself, your household or your own business. Don't resell or redistribute the file; share the link instead. The full product is sold under the Standard Licence (www.brainfystudio.com/licence).

Family portrait session questionnaire

Send after booking. Answers help you plan poses, timing and the location.

Family name: _____

Session date: _____

Location: _____

Who will be in the photos (names, ages): _____

What do you love most about your family right now?

Any must-have photos (grandparents, siblings, the dog)?

Anything that makes someone nervous or that we should avoid?

Nap times, snacks or other timing to plan around:

Where will the photos go (wall, album, cards)? Any sizes in mind?

This questionnaire is for planning the session. It is not a contract: booking terms, payments, cancellations and image-use permissions belong in your own written agreement.
